This client is one of the fastest-growing landscape rock businesses in Peoria, Arizona. They supply decorative rocks and granite in Peoria and parts of Phoenix, Arizona. This client started working with SocialSEO in January of 2021 with a Gold SEO package and the goal of competing organically with other established competitors. Since then, we built out their website by adding new service pages and informative blog posts about landscaping. With a lot of competitors on the market, we have made sure to constantly update the keywords and optimize the content. In July 2022 they're now ranking #2 for "Peoria Landscaping Rocks".
